

Together we make the difference for our customers...

"I find everyone I have worked with at the ITD service center to be very helpful and courteous. Thanks for the help. "

Sargent County Schools
Gwinner

"Thanks for the support provided. The willingness and promptness of the support person to get the issue fixed and resolved was very good. Thanks."

Information Technology Department
Bismarck

"When ever I have called the Help Desk I have received quick and excellent service. I usually forget the password I have inputted and booted my self out. The Help Desk has always got me back on line as quickly as possible, thank you for being there."

West Central Human Service Center
Bismarck

"Very timely - and I like the online reporting!"

Legislative Council
Bismarck

"I feel the help we received was very good. For some reason, we were not able to get our new employee logged on to the system. After talking to the IT support staff, they were able to get new employee up and running. Thanks for the help! "

Valley City Police Department
Valley City

"Tech was very professional and handled our matter in an efficient, timely manner."

Stark County - Sheriff's Office
Dickinson

"Very good customer service skills. Rep made sure that I was able to access my account before terminating call. Very polite."
